How Norbord's Fastrack works...

At Norbord we run our own specialist logistics service. A service known for its reliability; a service that guarantees availability.

However, our unique Fastrack guarantee goes even further. **Within just two working days** from receipt of order we can supply a range of popular items from our OSB, MDF and Particleboard ranges.

Half or full loads can be ordered in any product configuration from the Fastrack range. At least two product categories must be involved.

How Fastrack can work for you:

- Assured supply
- Direct delivery to your customers
- One order point for all products
- Improved stock turnover

This all adds up to a service that really means business.
