PINNACLE, THE NEW HIGH IN SUB-FLOORING

It's a challenge to break old habits; but when a product offers so many tangible benefits, the prospect of making a change is made a lot easier. A key component of Norbord's Common Sense Solution, using Pinnacle premium sub-flooring you raise your game by letting you build faster without sacrificing profitability, efficiency, material quality, or construction standards.

BUILDERS TOLD US EXACTLY WHAT THEY WANTED IN A SUB-FLOOR. IT'S CALLED PINNACLE.

AFFORDABILITY

Pinnacle is the premium sub-floor with the right price. Builders need to control costs and use products that allow trades to reduce build times with no hassles.

SUSTAINABILITY

Pinnacle is produced with chain of custody certified fiber from sustainably managed forests. If you are working toward meeting green building programs, Pinnacle supports you with its third-party certified credentials and no added urea formaldehyde resins.

DURABILITY

Pinnacle exceeds the PS 2 standards and is consistent from one panel to the next. Backed by a 50-Year Warranty and 200-Day No-Sand Guarantee, Pinnacle gets the job done. That means you build faster and reduce costs.
